If you do not promptly notify us of such loss or theft, you might lose all your Available Funds. If you notify us within 2 business days after you learn of the loss or theft, you can lose no more than \$50.00 in the event that someone used your Card or other Access Device without your permission.

Periodic Statements

If your statement shows transfers that you did not authorize, you must tell us AT ONCE. If you do not tell us within 60 days after the statement is provided to you, you may not get reimbursed for any of the funds you lost if we can prove that we could have stopped someone from using your Card had you told us in time. If a valid reason (such as a long trip or a hospital stay) prevents you from notifying us, we will extend the time periods.

Special Rules for Debit Card Purchases

If you use your Debit Card to make additional purchases at merchant locations displaying the Visa symbol, other limits may apply to the type of Debit Card transactions described above. Call our Customer Service Center during business hours at:

866.872.1866 (toll-free)

Write us at:

Union Savings Bank
Bank Operations Department
P.O. Box 647
Danbury, CT 06813-0647

We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. In notifying us of a problem or error, please include the following:

- [1] Tell us your name and Account number (if any).
- [2] Describe the error or the transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need additional information.
- [3] Tell us the dollar amount of the suspected error.

If you choose to notify us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for Visa[®] Debit Card transactions, or within 20 business days if the error occurred within the first 30 days of the first deposit to your Account) after you notify us, and we will correct any error promptly.

If we need more time, however, we may take up to 45 days to investigate your complaint or question for most types of errors. (We may take up to 90 days if the transaction in question was initiated in a foreign country, was a result of a POS transaction, or if the error occurred within the first 30 days of the first deposit to your Account.) If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your Account.

We will tell you the results within 3 business days after completing our investigation. If we decide an error did not occur, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

We can do this without giving you prior notice or demand. We can also exercise our right of set-off to recover any such amount. (An example of such an overpayment to your Account, to which you are not legally entitled, would be a Social Security payment received by direct deposit after your death.)

CONSUMER ELECTRONIC FUNDS TRANSFER AND DEBIT CARD AGREEMENT

Effective May 1, 2022

IMPORTANT-PLEASE RETAIN FOR YOUR RECORDS

CONSUMER ELECTRONIC FUNDS TRANSFER (“EFT”) AND DEBIT CARD AGREEMENT

“We,” “us” and “our” refer to Union Savings Bank.

“You” and “your” apply to any individual who has an Account with us and is authorized to initiate the applicable EFTs.

“Access Device” refers to a card, code, or other means of access to your account, or any combination thereof, that you may use to initiate electronic fund transfers.

“Account” refers to any account at our bank from or to which we allow electronic funds transfers (“EFTs”) and that you have selected in your application for the EFT service.

“ATM” refers to any automated teller machines where you can use your card and PIN.

“Available Funds or Available Balance” means the funds that are “available for withdrawal” as determined by our *Funds Availability Policy*. Your available balance may be reduced if we have placed “holds” on certain funds. A “hold” means that funds are still in your account but we will not allow you to withdraw them. A hold may be placed because of delayed funds availability as described in our *Funds Availability Policy* or because of a court order or a pending Debit Card transaction as described in our *Consumer Electronic Funds Transfer and Debit Card Agreement*.

Additional funds may be available to you if you have Overdraft Protection. Please see your Overdraft Protection loan agreement for further information.

“Card” refers to the Union Savings Bank Debit Card.

“Hold on Account-Debit Card” When you make a purchase with a debit card, you authorize us to place a hold on your account for the amount of the transaction. When the transaction has cleared, the hold will be released and the funds will be debited from your account. The hold will remain on your account for a maximum of three business days, and for some types of purchases such as hotels, car rentals or online purchases, we may place a hold for a longer period. If the Debit Card transaction does not clear within the hold period, the hold will be released and the funds will be available for your use. In the event the Debit Card transaction clears after the hold period, and you do not have Available Funds to cover the item, you may incur an overdraft or uncollected fee as described in our *Schedule of Interest and Deposit Account Charges*.

“Overdraft Protection” refers to an unsecured line of credit, which provides overdraft protection for your Checking Account. Terms governing Overdraft Protection are contained in a separate agreement.

“PIN” refers, as applicable, to the personal identification number you agree to use to identify yourself when using an ATM or Point of Sale (“POS”) terminal or making a telephone transfer.

“Point of Sale” or “POS” refers to a transaction in which you use your Card with or without your PIN to pay for goods and services by debiting an Account, whether or not an electronic terminal is used at the time of the transaction.

“POS Terminal” refers to an electronic terminal at which you can use your Card and PIN to pay for goods and services by debiting an Account.

“Debit Card Transaction” refers to a transaction in which you use your Debit Card and you may be required to manually sign a sales slip (receipt) to pay for goods and services that will be electronically debited from an Account you have with us.

WHAT IS AN “ELECTRONIC FUNDS TRANSFER” (“EFT”)?

An EFT is a transfer of your funds held at our bank that is initiated through an electronic terminal such as a telephone, mobile device, computer, or ATM, for the purpose of ordering, instructing, or authorizing the Bank to debit or credit your account in a way, and for an amount, specified by you. We currently offer the following EFT services:

- **Direct Deposit.** You can arrange to have deposits that we allow, such as Social Security or payroll, to be electronically deposited directly into your Account.

- **Telephone Transfer.** You can use your Account number(s) in conjunction with your telephone transfer PIN to transfer funds by telephone between certain authorized Accounts.

- **Preauthorized Payments.** You can arrange to have payments that we allow electronically debited from your Account and credited to a third party, such as an insurance or utility company.

- **Electronic Check Conversions.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your checks to pay for purchases or pay bills.

Online Banking Services Available. You may access your Accounts via the Internet by using Online Banking. A separate agreement contains additional terms relating to Online Banking. The following services are available through Online Banking:

- You can transfer funds electronically between Accounts at Union Savings Bank and between your accounts at Union Savings Bank and other banks.

- You can initiate electronic bill payments and/or Person-to-Person (P2P) payments to third parties, which will be automatically debited from your account.

Mobile Deposit

- You may use a mobile device (phone or tablet) to make individual check deposits to certain authorized accounts. Please refer to your customer agreement for further information.

Services Available through ATMs. You may use your Card and PIN to do the following through an ATM that is part of the networks we participate in:

- You can withdraw Available Funds from your authorized Account(s).

NOTE: When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used to complete the transfer (and you may be charged a fee for a balance inquiry even if you do not complete the funds transfer).

- If the ATM is a Union Savings Bank ATM, you can deposit funds (cash or checks) into your Account(s).

- If you have Overdraft Protection, you can obtain a loan advance against your line of credit provided you have not reached your approved limit.

- You can transfer Available Funds between your authorized Accounts.

Other Services Available with Your Card and PIN

You can pay for purchases by accessing your Account through a POS terminal at merchant locations that have agreed to accept the Card and PIN. At the time of the purchase, you may also be able to withdraw cash, subject to cash availability.

If your Card is a Debit Card, you can use your Card without your PIN as a Debit Card Transaction to access your Account and pay for purchases at merchant locations displaying the Visa symbol.

Your rights related to refunds and returned merchandise are governed by the merchant’s own policy on refunds and returns. You must resolve issues of this type directly with the merchant.

Limitation on Availability of Services

All of the transactions described above may not be available at all ATMs or POS terminals in the networks we may join, where you can use your Card. Different limitations on withdrawals, deposits, and other transfers may also apply.

AGREEMENT

By using your Card or by initiating an EFT, you agree to the rules in this Agreement for the type of EFT service that you use. You also agree that you will not use your Card, PIN, or any EFT service to conduct an illegal transaction or pay for an illegal purchase. You understand that we may cancel your

ability to conduct EFTs if we have reason to believe that you have used your Card, PIN, or any EFT service for illegal activity.

GENERAL LIMITATIONS

We may limit the type of Account to or from which we allow EFTs.

LIMITATION ON WITHDRAWALS THROUGH ATMS, POS TERMINALS, AND DEBIT CARD TRANSACTIONS

ATM/POS and Debit Card Transactions

For security reasons, there are daily limits on the amount you can withdraw as cash or use for debit card purchases. The daily limit for a Debit Card is \$510 for ATM withdrawals, \$510 for PIN-based purchases, \$510 for Cash Advances, \$2,500 for credit/signature-based purchases, and \$5,000 for using your debit card to fund another account (account funding transaction). Higher limits may be available with bank approval. See *Opportunity Checking Disclosure* for daily limits on Opportunity Checking accounts.

Debit Card Transactions

Unless you have Overdraft Protection, the available funds in your account must be sufficient to cover the amount of your Debit Card purchase.

The dollar amount of the hold is based on the amount of the authorization requested. For some merchants, the amount of the authorization requested may be more than the actual amount of the purchase. For example, if you use your Debit Card to make a \$12.50 gasoline purchase at a gas station, the gas station may request a \$15.00 authorization.

You agree that we are not responsible if we dishonor POS, ATM, check or any other transactions drawn on your Account because we have held funds or debited funds from your Account based on a Debit Card transaction.

International Debit Card Transactions

For international Debit Card transactions, we will use as the exchange rate for the Debit Card transactions either (1) the wholesale market rate or (2) the government-mandated rate, in effect one day prior to the transaction processing date and increased by one percentage point.

Other Limitations

In the event that an ATM, POS terminal, our computer system, or the network malfunctions, we may limit the dollar amount and the types of EFTs you can make including the types of Accounts you can access through ATMs or POS terminals. For security reasons, there may be other limits on Debit Card transactions or on the number of transactions you can make at any ATM or POS terminal.

DOCUMENTATION AND TELEPHONE INQUIRY

You will receive certain types of documentation and information concerning EFTs including but not limited to the following:

Periodic Statements

You will receive a periodic Account statement, which includes details of EFT activity, for all Accounts.

Preauthorized Deposits

You can arrange to have direct deposits made to your Account on a regular basis from the same person or organization. If you have arranged to have direct deposits made to your Account at least once every 60 days from the same person or organization, you can find out whether or not the deposit has been made by calling our Customer Service Center at 866.872.1866 (toll free).

ATM, Debit Card or POS Transactions

You can request a written record (receipt) at the time you complete an ATM or POS transaction or Debit Card transaction. This record will show certain information such as the amount of your transaction, the type of transaction, and the date of the transaction.

PREAUTHORIZED TRANSFERS FROM YOUR ACCOUNT

Stop Payments

If you have told us in advance to make regular payments out of your Account to a third party, you can stop us from making any of these payments by doing one of the following:

Call our Customer Service Center during business hours at:
866.872.1866 (toll-free)

Write us at:

**Union Savings Bank
Bank Operations Department
P.O. Box 647
Danbury, CT 06813-0647**

We must receive your request at least three business days, or more, before the payment is scheduled to be made.

If you choose to call us, we may require you to put your request in writing and send it to us within 14 days. If you do not do so, then your oral request for the stop payment will cease 14 days after the request has been made, and we may make the payment if it is demanded by the particular person or organization involved.

NOTE: If you want to stop these preauthorized payments permanently, you must notify the person or organization you have instructed us to pay. Any stop payment request we receive will stop only the particular payment to which it applies. If you instruct us to stop these payments permanently we will do so, but may require you to send us a copy of your notice to the person or organization you told us to pay.

Liability For Failure to Stop Payment of Preauthorized Transfer

If you order us to stop one of these payments 3 business days or more before the transfer is scheduled and you comply with a request by us to put your request in writing (as explained above), then if we do not follow your request to stop payment, we will be liable for certain types of losses or damages which you suffer.

Stop EFT

Unless otherwise stated in this Agreement, you cannot stop an EFT, other than a preauthorized transfer. If a preauthorized EFT will vary in amount from the preauthorized amount, the designated payee is responsible for notifying you of the difference in amount at least 10 days before the scheduled date of the transfer.

OUR LIABILITY FOR FAILURE TO MAKE TRANSFERS

If we fail to complete a transfer to or from your Account in a timely manner, in accordance with the terms and conditions of your Account and normal banking procedures, or for the correct amount according to your instructions, we will be liable for certain types of losses or damages you suffer. However, there are some exceptions. We will not be liable if:

- through no fault of ours, you do not have sufficient Available Funds in your Account to complete the transfer;
- the Account has a “hold” on it for the amount of all or part of the funds necessary to complete the transfer;
- the transfer amount exceeds the credit limit in your Overdraft Protection;
- the ATM, POS terminal or our system, or the network was not working properly and you were aware of or should have been aware of the breakdown when you initiated the transaction;
- you do not give us, when applicable, your name, correct PIN, and correct Account number(s) at the time you initiate a transfer;
- circumstances beyond our control prevent the transfer from occurring, despite reasonable precautions taken by us;
- we do not receive proper instructions or notification for the use of the Account for EFTs, or proper instructions for a particular transfer;
- the ATM or POS terminal where you wish to withdraw funds does not contain enough cash;
- the funds in your Account are subject to legal process or other encumbrance restricting such transfer;
- your Card has deteriorated or becomes damaged so that it does not function properly;
- a transfer is rejected because your Card or PIN has been reported lost or stolen;
